# 01 Property Overview

Unit D-106 is a 1,662-square-foot commercial condominium inside Floyd Hill Business Park, positioned just off U.S. Highway 40 between I-70 Exits 247 and 248. The offering combines the real estate, an existing MIP-ready production buildout, and an associated Colorado MIP manufacturing license. **Equipment shown in this brochure is not included in the sale.**

THE BUILD-OUT ADVANTAGE

**Step into a space already built out and wired for MIP production, with the associated license in place, instead of starting from raw commercial space, a new buildout, and a separate licensing process. Production equipment is not included in the sale.**

## INVESTMENT HIGHLIGHTS

- Offered at $250,000, approximately $150 per square foot.
- Associated Colorado MIP manufacturing license, subject to regulatory approval.
- Production suite built out, powered, and wired for MIP extraction and processing equipment (equipment not included).
- Direct access to the I-70 mountain corridor between Exits 247 and 248.
- Secured, paved outdoor yard immediately behind the unit.
- Affluent surrounding trade area with average household income above $200K within one mile.
